

# PREFALL 2010 REFRESHER MATH COURSES

- Would you like to increase your math placement level on the COMPASS test?
- Do you feel anxious about having the skills to be successful in your fall math course?
- Have you learned algebra before, but forgot how to apply it on the COMPASS test?

Consider enrolling in a 2 credit math refresher course during the Prefall Session. Refreshers of both MATH 085 and MATH 095 are being offered to students who are hoping to place higher on the COMPASS placement or refine/refresh their math skills prior to the start of fall quarter.

MATH 084 – ELEMENTS OF ALGEBRA REFRESHER (Item 3650)	MATH 094 - INTERMEDIATE ALGEBRA REFRESHER (Item 3800)
<ul style="list-style-type: none"><li>▪ Fast-paced condensed version of MATH 085</li><li>▪ For students who placed into MATH 085 but hope to place into MATH 095 OR For students who placed into MATH 095 but want to refine skills before taking MATH 095</li><li>▪ Students may retake the COMPASS test at the end of this course for a new placement score</li></ul> <p><i>This course meets daily September 7 – 16 from 1:00 – 3:30.</i></p>	<ul style="list-style-type: none"><li>▪ Fast-paced condensed version of MATH 095</li><li>▪ For students who placed into MATH 095 but hope to retake and place into college level OR For students who placed into college level math but want to refine skills before taking MATH&amp;141</li><li>▪ Students may retake the COMPASS test at the end of this course for a new placement score</li></ul> <p><i>This course meets daily September 7 – 16 from 9:00 – 11:30.</i></p>
